Welcome to Summer 2024!

This summer we are inviting everyone to “Level up” with us through a variety of engaging, and entertaining summer experiences. We are going to have a summer where your student has the opportunity to LEVEL UP in their physical, intellectual, social, and emotional growth. We are excited to announce our continued partnership with the Innovator's Hall of Fame, Camp Innovation experience. Your child will have the opportunity to grow their confidence, build problem-solving skills, reduce summer learning loss, improve academic achievement, discover innovative role models and more! Camp Invention will be a week-long amazing experience, learning and growing as innovators and explorers! In addition, we are also partnering with Snapology this year to run a couple in-house modules focused on coding and robotics. Students will launch into summer with a variety of exciting theme based activities throughout the weeks like rocket building, traveling through biblical scripture through Passports of Fun, and much more. Join us for so many hands-on experiences through Project Summer!

If you are looking for activities for your Middle School or Upper School student, we've got you covered, including athletic opportunities, enrichments courses, and test-prep courses.

We look forward to seeing your child this summer where we will continue our excellence in innovative opportunities that ground students in Christ-centered programming. You can check back for more!

Blessings,
Summer Semester Team

Academic Tutoring

Are you looking for a way to help build your student's academic self-confidence, prevent summer learning loss, and maintain learning momentum? Do you need to give your student extra skill practice to master concepts or get a head start on next year's curriculum? If so, register for summer tutoring through Learning Support Services.

LSS offers affordable tutoring by our own highly qualified MCA staff, who are familiar with your child and school curriculum.

Contact Tanya Marvel at tanya.marvel@mcamustangs.org or 763.488.7867 for more information.

Summer tutoring days and times will be matched with family needs and available tutors. You will receive an email or phone call with exact days and times after registering.

No refunds or make-up sessions will be offered for missed sessions.

This program is available to MCA students only.

Dates: June 11 - August 8; Tuesdays, Wednesdays, Thursdays (no tutoring July 2nd-4th)

Times: as scheduled

Location: LSS Room 100

**See Summer
website for more

Summer Semester Policies

This statement of policies and terms covers all Maranatha Christian Academy Summer Semester Camps and Classes. By registering, you agree to these Policies and Terms.

Registration

Registration for Summer Camps begins on February 27, 2024. Registration for Academic Tutoring opens April 15, 2024. No registrations will be accepted before this date. You can register online at <https://www.mcamustangs.org/mymca/parents/summer-camp> [mcamustangs.org/summer](https://www.mcamustangs.org/summer) using our online registration system. There is a nonrefundable \$50 deposit per class that will be applied toward your Summer Day Camps tuition. A completed Maranatha Christian Academy Summer Semester Registration with emergency contact and medical information is required for each participant. Also, an authorization for administration of medication is needed, if applicable.

Students should register for classes according to ***the grade they will attend in the fall***. A confirmation of your registration will be sent via email upon successful completion of the registration process. Classes are filled on a first-come, first-served basis.

Payment

Payment for each activity is listed on the registration site, along with available payment plans if you choose. A \$25 fee will be assessed for insufficient funds or a declined credit card.

Refund Policy:

No refunds will be given after June 10, 2024. A refund minus the \$50 registration deposit will be given for registrations canceled a week prior to the start date of the course/camp. After June 10th, refunds minus the \$50 registration fee will be credited to your school tuition account if a weeks' prior notice is given.

A refund for medical reasons applies only to absences of one week or longer and requires a doctor's note.

Schedule Changes and Cancellations

All requests for camp schedule changes must be received in writing. Emails are accepted at dane.wellens@mcamustangs.org. We cannot guarantee that every change or cancellation will be accommodated and fees may apply.

Camp Changes and Cancellations

We reserve the right to combine camps or cancel any camps as necessary. In the event of a camp change, the dates are subject to change. In the event of a cancellation, we will do our best to notify families at least two weeks prior to the start of the class. We will also offer the option of receiving a refund.

Absences

Tuition will not be prorated or refunded due to bad weather, family vacations, or conflicting activities. If a student is asked to withdraw from an activity because of inappropriate conduct, a refund will not be issued. A refund for medical reasons may be considered for absences of two days or longer, and a doctor's note is required.

Lost or Stolen Items

Parents are requested to label all clothing with the student's name to ensure complete identification of all items and to protect against loss. Project Summer Day Camp assumes no responsibility for lost or stolen personal property. We discourage all participants from bringing anything of value, such as jewelry, electronics, money, or expensive clothing. Students should not bring toys, electronic units, trading cards, or other similar items.

Appropriate Dress

Students are required to dress appropriately for summer activities. We do not allow clothing that reveals underwear, excessive display of skin (i.e.: halter/crop tops, short-shorts, etc.), or clothing that advertises alcohol or other chemicals, weapons, or groups that condone chemical use. Students in violation of the summer dress code will be required to change into more appropriate clothing. Some field trips may require specific clothing.

Instructor Changes

We reserve the right to change the instructor of any class as staffing needs and schedules dictate. We make every effort to have instructors arranged by our catalog print date but changes do occur.

Transfer of Students Between Age Groups

Maranatha Christian Academy reserves the right to move participants between age groups as maturity indicates.

Enrichment Club Discount Codes:

Enrichment Courses are fee based clubs and activities that pull your child from the care and activities being provided to them by the base fee.

Being that your child is not in that care for that allotment of time, we have created discount codes for each Enrichment Club to match what you have already paid for care for those hours.

These codes are ONLY to be used if you have the 4-Day or 5-Day option in your cart for that week or have already enrolled in the 4-Day or 5-Day option to reimburse for the hours the clubs are running.
